## 2008 SEMILLON SAUVIGNON BLANC

### White Label Western Australian Range

This range of wines is sourced from our Western Australian vineyards located in the Margaret River, Pemberton and Blackwood Valley wine growing regions. They are fresh, fruit driven wines crafted into a consistent style highlighting the characteristics of each particular variety. This range offers great value and can be drunk on their own or matched with food.

**VARIETY**

Semillon 60% Sauvignon Blanc 40%

**REGION**

Margaret River & Pemberton  
Western Australia

**VINTAGE**

2008

**WINE MAKER**

Nigel Ludlow

**NOTES**

Semillon and Sauvignon Blanc fruit have been blended to create this bright fruity wine, with aromas of capsicum, gooseberry, passionfruit and hints of lime. The palate is rich with great fruit intensity and balanced with a crisp acidity. A wild ferment barrel portion has added greatly to the texture and complexity of this wine.

**COLOUR**

Light straw with green notes

**NOSE**

Gooseberry and green capsicum, with a hint of passionfruit and lime.

**PALATE**

A rich palate with some riper melon fruits, great fruit intensity balanced well with a crisp acidity

**CUISINE**

Ideal accompaniment for any type of Seafood dishes, but overall a very versatile food wine.

**ALCOHOL**

12%
