NOTES

This Pemberton wine has been minimally filtered to preserve the natural intensity and structure of the wine. Wild fruits, lifted cherry, blackberry, leather and black olive dominate the palate with some spice and French oak complexities. The palate is intense with dark chocolate, seamless oak and ripe full tannins balancing the fruit.

COLOUR

Light-mid ruby/purple.

NOSE

Wild fruits, lifted cherry, forest floor, blackberry, some leather and black olive with integrated oak and spice.

PALATE

This pinot noir has a full, rich fruit palate with dark chocolate, integrated cedary oak, perfect tannin structure and good length and acidity.

CUISINE

Pinot Noir is perfect to enjoy with lighter meats such as goose and duck, and gamey meats such as rabbit. It goes superbly with Italian dishes.
